

## Sime Darby Nursing and Health Sciences College

Sime Darby Nursing and Health Sciences College has been operating since 1995 and is one of the pioneers in nursing education in Malaysia. The college is a member of the Sime Darby group – a multinational conglomerate with businesses in key sectors in over 20 countries and is backed by a world class hospital; Sime Darby Medical Centre (SDMC) Subang Jaya for practical training of students.

The college is a Higher Education Provider and is approved by the Ministry of Higher Education. All programmes are approved by the Malaysian Qualifications Agency and the Ministry of Higher Education.

SDMC is a two-time winner of the Prime Minister Award for Quality and is at the forefront of cutting edge technology. SDMC is known worldwide for its clinical excellence and was recently awarded the prestigious Joint Commission International accreditation, recognition for international quality standards. The strong collaboration between the college and SDMC has resulted in high academic standards and an excellent track record of 98% passes over the past 15 years.

Our students get ready placements anywhere in the healthcare industry and are sought after both locally and abroad. Sime Darby Nursing and Health Sciences College aims to provide the best healthcare education in Malaysia.
